Student Scholarship Application

Society for Marketing Professional Services San Francisco Bay Area Chapter

Advocate Educate Connect Advance

SMPS' mission is to advocate for, educate, and connect leaders in the building industry. SMPS' vision is for premier professional services firms to recognize SMPS as their most trusted resource for building business and achieving success. SMPS is a great way to take your professional and educational development to the next level! With almost 300 members, our chapter is one of the largest in the country. We offer some of the most innovative programs in the Bay Area, with many of the most dynamic, influential clients and presenters in the A/E/C industry to grow your skills professionally; our networking and social opportunities will help in your personal growth.

The Chapter offers a scholarship annually to a student pursuing a career in marketing professional services.

Narrative

Attach a clear and concise narrative specifically addressing the following topics in the order listed. Narrative should be typewritten and no more than three pages.

1. How did you hear about SMPS?
2. What are your professional and educational goals for the next year and how do you think SMPS will help you accomplish these goals?
3. Why are you interested in a career in professional services marketing in the architectural, construction, or related industry?
4. What leadership roles and activities are you involved in to prepare for your career?
5. How would receiving this scholarship impact you?
6. Please include the two letters of recommendation, one from either your academic advisor or a professor in the degree program in which you are enrolled, and the other from a person who can speak to your passion about your major and/or the field of professional services marketing. This is not included in the page count.
