5.1 Number, Qualifications, Powers

5.1.1. The property, affairs, and business of the Chapter shall be managed and controlled by the Board of Directors. The Board of Directors may by general resolution delegate to officers of the Chapter such powers as are provided for in these bylaws.

5.1.2. The Chapter Board of Directors (sometimes referred to as the “Board” and individual members thereof referred to as “director”) shall consist of the individuals currently serving as the President, the President Elect, the Secretary, the Treasurer, and the Immediate Past President, which officers shall constitute the Executive Committee, and may include additional directors who shall serve on the Board by virtue of their appointment.

Effective September 1, 2022, article 5.1.2 shall be replaced with the following: The Board of Directors (sometimes referred to as the “Board” and individual members thereof referred to as “director” or “directors”) shall consist of the individuals currently serving as the President, the President-Elect, the Immediate Past President, the Secretary, the Treasurer, and up to five Directors-at-Large.

5.1.3. To be eligible for election as a director, an individual must be a Regular or Distinguished Life member of the Society and must have been such a member for one (1) year as of the date his or her term of office commences. No individual may hold more than one Directorship at any time.

5.1.4. To be eligible for election as President-Elect, the individual must have served on the Board of Directors for one year or served as a committee chair for one year.

5.1.5. To be eligible for election as Secretary, Treasurer, or Director-at-Large, the individual must have served on a Chapter committee for one year.

5.2. Election and Term. All officers and directors shall commence their regular terms of office on September 1.

5.2.1. The President, President-Elect, Immediate Past President, Secretary, and Treasurer shall serve as directors by virtue of the office he or she holds. These directors shall serve until they no longer hold their respective offices.

5.2.2. The President-Elect shall be elected at large, shall serve in that office for one (1) year, and shall automatically assume the office of President in the subsequent year. At the end of their term as President, the individual shall automatically remain on the Board of Directors for a one-year term as Immediate Past President.

5.2.3. The Secretary shall be elected at large for a two-year term and shall be elected in odd-numbered years. Term limit shall be two consecutive two-year terms.

5.2.5. Directors-at-Large shall be elected for one-year terms. Term limit shall be two consecutive one-year terms.

5.2.6. Nominations. No later than March 15 of each year the Nominations and Elections Committee shall issue a call for nominations for available positions on the Board. Nominations may be made by individuals (self-nominations are allowed) or by petition and must be received by the Nominations and Elections Committee by April 15. Petition nominations must be received by the Nominations and Elections committee by April 15 and must be signed by a minimum of ten percent (10%) of the Chapter membership as of April 15. All nominations must be submitted in such detail and include such information as specified by the Board of Directors. The Board may specify a standard form for submission of nominations.

Individual nominations shall be screened and evaluated by the Nominations and Elections Committee to verify that the candidates meet all eligibility requirements for the office or position being sought. In the event there are no nominees for one or more of the available positions on the Board, the Nominations and Elections Committee may seek qualified candidates for those positions or may request one or more of any multiple candidates for another position to resubmit a nomination for the uncontested position; however, the Committee may not nominate a candidate to any position without the candidate's knowledge and consent. Should the Committee be unable to find an eligible candidate for any available position, that position shall be declared vacant as of the following September 1, after which it may be filled by appointment as provided elsewhere in these bylaws.

5.2.7. Election of Officers and Directors. The Chapter has elected to use the “Slate Method” for the election of all officers and directors. Accordingly, all candidates certified by the Nominations and Elections Committee to be eligible for the office or position requested will be discussed and evaluated by the Nominations and Elections Committee, meeting either in person or by video/telephone conference call. Following discussion, the Committee shall select a slate containing one candidate for each open position on the Board, which the committee believes represents the best qualified individual for each position and which produces a desirable professional balance for the full Board.

A petitioned nominee may be included in the slate of candidates selected by the Nominations and Elections Committee, but if not selected by the Committee the petitioned nominee shall automatically appear on a ballot along with the slated candidate if the petitioned nominee meets all eligibility requirements for the position being sought.

No ballot is required if no candidates in addition to those selected by the Nominations and Elections Committee for its slate are submitted by petition; in this event the Secretary shall declare the Committee’s slate elected by acclamation.

Otherwise a ballot for the contested office or position only, with names of the petitioned candidate and the Committee’s slated candidate, shall be submitted to the membership no later than May 15. The election may be conducted at a meeting of the members announced for this purpose, or by mail ballot; if by mail ballot, completed ballots must be returned and counted no later than the last business day in May.

Mail ballots may be transmitted to the membership via US mail or other electronic means, and may be returned by any of those means, provided each returned ballot bears the printed name and signature of the member who has cast the ballot to permit verification of voter eligibility and to prevent duplicate voting. Ballots shall be certified and counted by at least two members of the Nominations and Elections Committee and the results announced to the membership by the Chair of the Committee.

5.3. Vacancies. Subject to the qualifications in 5.1, all vacancies on the Board of Directors shall be filled by appointment by the President subject to approval by the Board of Directors, and such vacancy on the board shall be filled for the unexpired term. If the unexpired term is six months or less, the appointed board member may apply for the same position for full term as outlined in these bylaws

Such director may, however, be counted in determining a quorum for the meeting at which the matter is voted upon and may state a position on such matter and provide information that may be of value to the Board in its deliberations.

5.12. Limitation of Liability. A director of the Chapter shall not be personally liable, as such, for monetary damages (including, without limitation, any judgment, amount paid in settlement, penalty, punitive damages or expense of any nature including, without limitation, attorney's fees and disbursements) for any action taken, or any failure to take any action, unless:
